BIHAR BHAWAN, CHANAKYAPURI, NEW DELHI

FROM THE DESK OF THE RESIDENT COMMISSIONER

01

Dear Readers,

As India marks 75 years of independence, we are dispatching this special edition of Bihar Bhawan's Newsletter highlighting some of the significant achievements of JEEViKA Self Help Groups in Bihar.

Women in rural Bihar are celebrating the Azadi ka Amrit Mahotsav by turning the straits of uncertainty into ocean of opportunities. Bihar Rural Livelihoods Promotion Society (BRLPS) JEEViKA's journey in last decade has coincided with the changing face of progressive Bihar.

From its advent as a small-scale project in 18 blocks in 2006, JEEViKA today has been transformed into a pan-state movement impacting the lives of lakhs of families in Bihar. JEEViKA has evolved into a collective effort that provides a platform for targeted delivery of government policies and welfare programs. Over 15 years of successful operations, JEEViKA has managed its community network of SHG to achieve the multi-dimensional financial and economic inclusion of more than 10 million poor rural women. This independence, the real architect of society as the self-reliant women of JEEViKA in Bihar are transforming lives and securing livelihood.

This edition also covers the closing ceremony of Bihar's assembly centenary celebrations attended by the Hon'ble Prime Minister. RTPS' new initiatives at Bihar Sadan (Dwarka, Delhi), launch of Emergency Response Number in Bihar, revival of Ganga Vihar Cruise Service at Gandhi Ghat, Patna and a newly launched Bihari restaurant at Bihar Sadan, Dwarka are also highlighted in this issue.
