

PM MODI IN BIHAR

NEW MODES OF TRANSPORTATIONS

FROM THE DESK OF RESIDENT COMMISSIONER

Dear Readers,

I am delighted to present the October 2025 edition of the Bihar Bhawan Newsletter, highlighting the state's remarkable progress under the visionary leadership of Hon'ble Chief Minister Shri Nitish Kumar.

This month, Bihar witnessed the honour of Hon'ble Prime Minister Shri Narendra Modi's visit, during which he inaugurated the brand-new Purnia Airport and launched projects worth thousands of crores. Key highlights included the launch of the National Makhana Board and Bihar's largest private sector investment of ₹25,000 crore.

Hon'ble Chief Minister Shri Nitish Kumar unveiled several important initiatives, including the Mukhyamantri Mahila Rojgar Yojana, benefiting over 75 lakh women with a cash incentive of ₹10,000 each. During his Pragati Yatra across the state, he announced numerous development projects in key districts, focusing on women's safety and empowerment through initiatives such as the launch of 80 new pink buses.

The industrial sector gained momentum under the "Bihar Hai Taiyar" initiative with the launch of the Bihar Industries and Investment Promotion Policy (BIIPP 2025). A dedicated investor dialogue in Delhi showcased the benefits of BIIPP, and Bihar participated in various industry-related events highlighting opportunities in sectors such as textiles, food processing, and more.

Sports continue to remain a priority for the state, with cash rewards announced for the Men's Indian Hockey Team following their Asia Cup 2025 victory at Rajgir. Other notable developments include the successful trial run of the Patna Metro, the launch of a Mumbai-style double-decker bus to attract tourists, and many more initiatives aimed at urban modernization.

Meanwhile, the youth of Bihar made the state proud with recognition at the Bihar Idea Festival, and the Bihar Foundation continued its work promoting culture, branding, community bonding, and business opportunities.

We invite you to stay connected with Bihar's growth journey by subscribing to our newsletter. For suggestions or queries, please write to us at rescm-bi@nic.in.

Thank you for your continued trust and engagement.

KUNDAN KUMAR, IAS

Bihar gets aviation boost as Hon'ble PM launches Purnea Terminal and mega projects

Purnea, September 15, 2025:

Hon'ble Prime Minister Shri Narendra Modi visited Bihar and inaugurated the Interim Terminal Building at New Civil Enclave of Purnea Airport, giving a major boost to the state's aviation sector.

On the occasion, His Excellency Governor Shri Arif Mohammed Khan, Hon'ble Chief Minister Shri Nitish Kumar, Hon'ble Union Minister of Civil Aviation Shri Ram Mohan Naidu, and Hon'ble Deputy Chief Ministers Shri Vijay Kumar Sinha and Shri Samrat Choudhary were present.

Key highlights:

- **Inauguration of Interim Terminal Building at Purnea Airport**, enhancing Bihar's aviation connectivity.
- **Launch of the National Makhana Board in Bihar** to boost technology, value addition, exports, and branding—strengthening the global presence of Bihar's Makhana farmers.
- **Foundation stone of 3×800 MW Pirpainti Thermal Power Project, Bhagalpur** — Bihar's largest private sector investment worth ₹25,000 crore, designed with low-emission, ultra-super critical technology to ensure energy security.
- **Foundation stone of Phase 1 of Kosi-Mechi Intra-State River Link Project (₹2,680 crore)**, aimed at expanding irrigation, enhancing flood control, and improving agricultural resilience in northeastern Bihar.
- **Inauguration and foundation laying of multiple railway projects**, along with the flagging off of new trains, to strengthen Bihar's rail connectivity.

Over 75 lakh women in Bihar receive ₹10,000 each directly in their bank accounts

In a landmark initiative to empower women across the state, Hon'ble Prime Minister Shri Narendra Modi launched Mukhyamantri Mahila Rojgar Yojana via video conferencing on September 26, 2025. Addressing the gathering, he extended his greetings on the auspicious occasion of Navratri and expressed his delight in joining the women of Bihar in their celebrations.

The event was graced by Hon'ble Chief Minister of Bihar, Shri Nitish Kumar, and Hon'ble Union Minister Shri Rajiv Ranjan Singh, among other dignitaries.

Hon'ble PM Shri Narendra Modi highlighted significance of the initiative, noting that 75 lakh women have already joined the scheme. In a historic step towards women's empowerment, ₹10,000 has been directly transferred to the bank accounts of each of these 75 lakh women simultaneously, providing immediate financial support and encouraging economic independence.

All you need to know about Bihar Industrial Investment Promotion Package (BIIPP) 2025

Patna, 11 September 2025: Government of Bihar officially launched Bihar Industrial Investment Promotion Package (BIIPP) 2025, a landmark policy aimed at accelerating industrial growth, attracting investment, and generating employment across the state. The policy, approved by the cabinet in August 2025, was highlighted by a special address from Hon'ble Union Minister of Commerce and Industry Shri Piyush Goyal, who emphasized its potential to create over one crore new jobs and promote inclusive growth.

Key Provisions of BIIPP 2025

The BIIPP 2025, an upgraded version of the 2016 package, offers enhanced incentives tailored for various types of investors:

- **Land Allocation:**
 - Investments above ₹100 crore generating at least 1,000 direct jobs will receive up to 10 acres of land free of cost.
 - Investments exceeding ₹1,000 crore can get up to 25 acres.
 - Land is also offered at discounted rates for other investors.
- **Financial Incentives:**
 - Capital Subsidy: Up to 30% of the project cost for capital-intensive industries.
 - SGST Reimbursement: Up to 300% of project cost over 14 years for high sales and GST-outflow companies.
 - Interest Subvention: Combined with SGST reimbursement to reduce borrowing costs for MSMEs.
- **Other Benefits:**
 - Enhanced Export Incentives: Doubled from ₹20 lakh to ₹40 lakh annually for 14 years.
 - Employment-Linked Support: Up to ₹5,000 per month for local hires in sectors such as textiles and leather.
 - R&D Assistance: Reimbursement for patent filing and quality certification expenses.
 - Support for Startups: Covers businesses with investments as low as ₹50 lakh.

The BIIPP 2025 is expected to significantly boost industrial development, strengthen the state's investment climate, and create sustainable employment opportunities across Bihar.

The event was attended by local representatives, industry leaders, and residents. The state-of-the-art facility is expected to generate hundreds of direct and indirect jobs and provide additional income opportunities to local farmers through the supply of fruits and other raw materials. Bihar Industrial Area Development Authority (BIADA) and the state government played a key role by facilitating land, infrastructure, and incentives under the "Make in Bihar" initiative. The plant is expected to boost local beverage production, increase revenue, and support Bihar's growing industrial ecosystem.

Bihar Records Largest Decline in Urban Poverty

Bihar has achieved a significant milestone in poverty reduction over the past decade. According to a recent research paper by the RBI's Economic and Policy Research Department, Bihar recorded the largest decline in urban poverty among India's major states between 2011-12 and 2022-23. The study updated the Rangarajan poverty line using the government's Household Consumption Expenditure Survey (HCES) data. The results show that the percentage of Bihar's urban population living below the poverty line fell from 50.8% in 2011-12 to 9.1% in 2022-23. This marks the steepest drop in urban poverty recorded across the country. The findings highlight the impact of economic growth, social welfare programs, and policy interventions in improving living standards in Bihar.

Bihar Emerges as 4th Largest Honey Producer in India

Bihar has emerged as the country's fourth-largest honey producer with an annual output of 18,030 metric tonnes in 2023–24. Over the past two decades, honey production in the state has grown rapidly, generating thousands of jobs and improving rural livelihoods. Favorable climate, rich biodiversity, and government incentives have

fueled this growth. Under various schemes, beekeepers receive 75% subsidy (up to 90% for SC/ST farmers) on bee boxes, hives, and extraction equipment, along with training in honey production and management. Bihar's honey varieties are gaining national recognition — lychee honey from Muzaffarpur, Vaishali, and Samastipur is in high demand for its unique taste, while mustard honey from Nalanda and Patna, and sesame honey from Aurangabad and Rohtas add to the state's diverse honey portfolio. The state government also distributes 20,000 to 1 lakh bee boxes annually under its pollination promotion programme, further supporting farmers and boosting production.

Bihar's Festive Flavors: Thekua and More for Diwali and Chhath

As the festive season approaches, Bihar prepares to celebrate Diwali and Chhath Pooja with traditional sweets and snacks that reflect the state's rich culinary heritage. Among these, thekua stands out as an iconic treat. Made from whole wheat flour, jaggery or sugar, and ghee, thekua is deep-fried to golden perfection, often shaped into intricate patterns, serving both as an offering to deities and a beloved snack for families.

Other festive favorites include laddoos, khaja, tilkut, and malpua, each with unique flavors and regional variations. Mustard seeds, sesame, jaggery, and ghee give these sweets their characteristic taste. Savory items like chakli, nimki, and mathri complement the sweet offerings, adding variety to the festive table.
